The University of Southern Mississippi
Gulf Coast Research Laboratory's

GCRL Science Café

Tuesday, September 24th
6:00 p.m. – 7:30 p.m.
GCRL Dining Hall
703 East Beach Drive / Ocean Springs, MS

BETTY SUE O'BRIAN
Herbalist and Naturopath

From abundant blueberries to wild elderberries, and from mulberry trees to mayhaw, Mississippi's herbal landscape blesses us with beauty and nourishment. This presentation will cover many choices of edible plants that may be wild crafted or cultivated here in the Deep South.

Author of *Going Green...the Smoothie Way!*
and *Six Weeks to a Healthy Lifestyle*

Signed books available for purchase,
accepting cash or check.

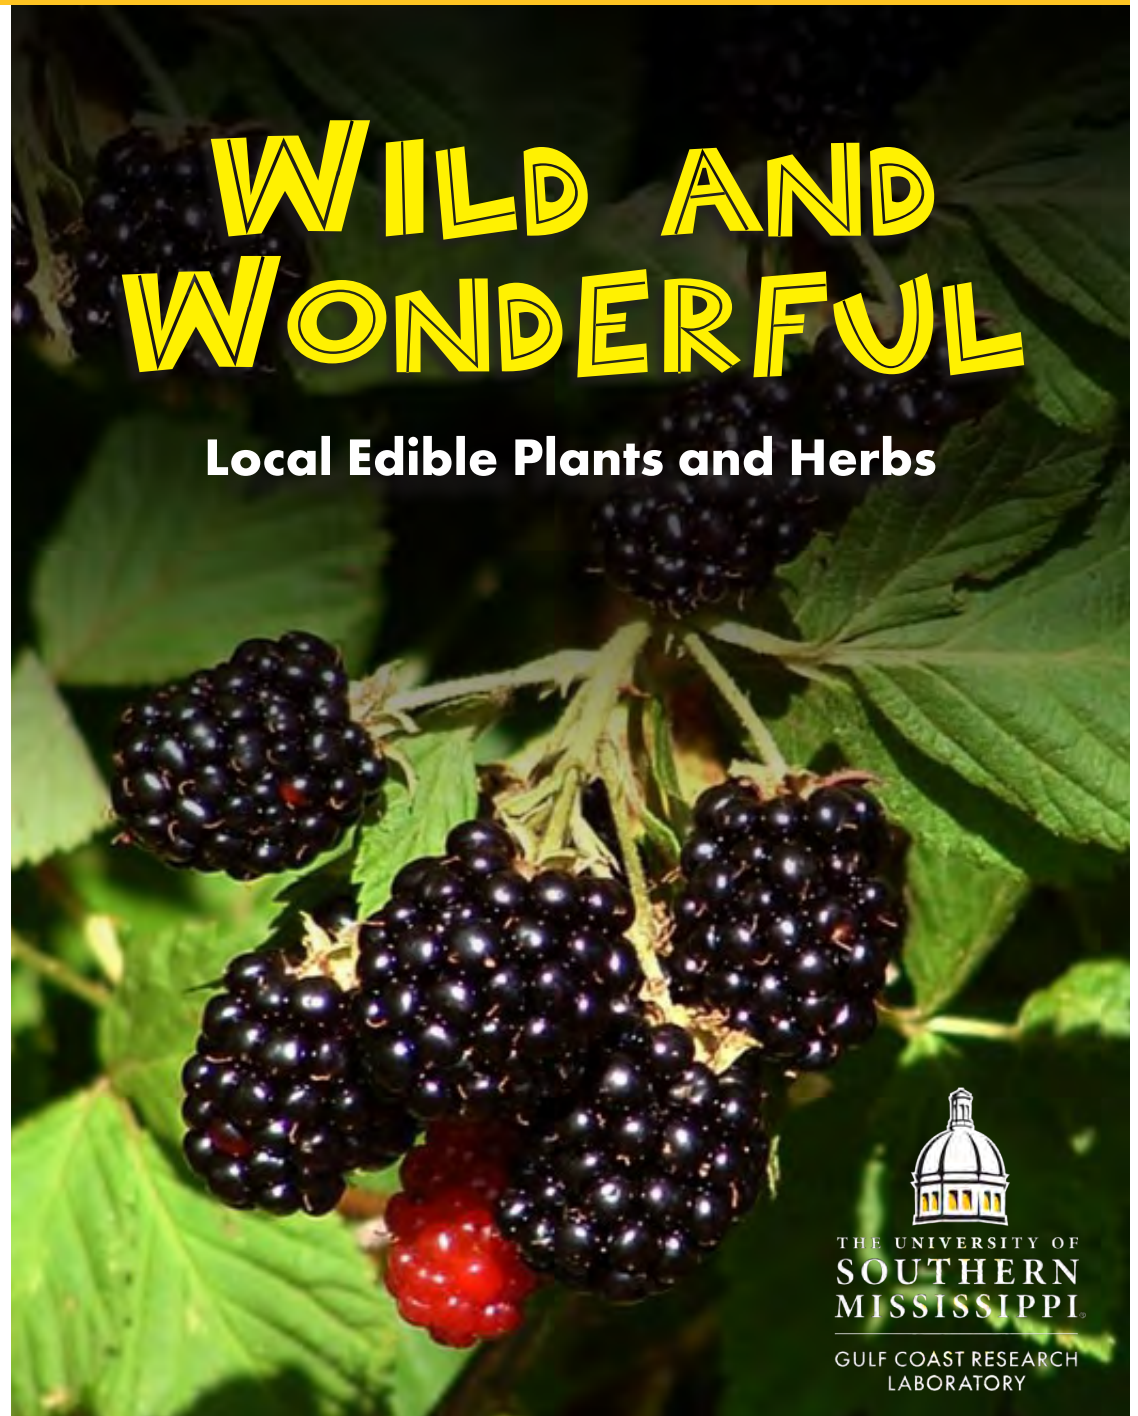

Refreshments provided by **Coffee Fusion**
Cookies provided by *Gunter Library*

The Science Café offers those with minimal background in science the chance to meet and discuss scientific issues in a relaxed social setting.

Admission is free and open to the public. For more information visit the

GCRL Science Café webpage or contact Joyce Shaw at 228.872.4213 /joyce.shaw@usm.edu.
