# Science Café

Tuesday, March 26<sup>th</sup>  
6:00 p.m. - 7:30 p.m.

GCRL Dining Hall  
703 East Beach Drive  
Ocean Springs, MS

Coffee and cookies provided by **Coffee Fusion**

### **KATHY SHELTON** – Conservation Biologist

Kathy Shelton is the South MS Conservation Biologist for the Mississippi Department of Wildlife, Fisheries, and Parks, working through the Mississippi Museum of Natural Science. Her role is to assist with the monitoring and management of the state's Species of Greatest Conservation Need, as identified through the MS Comprehensive Wildlife Conservation Plan. She is the state contact for the Dusky Gopher Frog and the Gopher Tortoise, as well as the coordinator for the MS Amphibian Monitoring Program. She received her B.S. in Wildlife Science from North Carolina State University and her M.S. in Wildlife Sciences from Mississippi State University. She has worked from the Department of Wildlife, Fisheries, and Parks for 12 years. She lives in Biloxi with her husband and her pet menagerie.
