*If the space is available it will automatically reserve this space for you. If the room is already reserved it will decline your request.

When you are making these reservations and it declines your request, you can look in the bottom right hand corner of your “set up a meeting tab” and see what times that space is available for that day.

IF YOU HAVE ALREADY SENT IN A ROOM RESERVATION: I have updated the Outlook calendar to reflect what existing reservations I already have listed. If you do not see your name or date with your room reserved, please feel free to go ahead and reserve it yourself.

If you would like to view a specific room calendar as a whole, under the calendar tab press “Open Calendar”, then click “From Room List” and then you may select what room you are trying to reserve. If you have any questions or encounter any problems while trying to reserve a space, please contact Katie Weldon at 228-818-8824.

As of right now we do not have calendars for any Housing Facilities. If you are looking to book housing accommodations please contact Katie at the above phone number.
