Summer CAMPS 2017

Summer Camps Scholarships

(Applications DUE by April 30th)

The 2016 summer camps scholarships are offered in a combined effort from personal donors, local organizations and grants. These scholarships are established to provide youth (first grade through 12th grade) the opportunities to learn about the Mississippi Gulf Coast ecosystems through summer day camp experience.

To apply, visit our website at:

<http://gcrl.usm.edu/mec/scholarships.summer.camps.php>
