CONSENT TO MEDICAL CARE AND TREATMENT

Parental consent is required before a hospital’s emergency department can give medical treatment to a
minor. Every effort will be made to contact parents, but a completed consent form will expedite treatment.
I hereby authorize and consent to the administration of all medical and/or surgical treatment(s) to my
child by a licensed physician or hospital in the event I am not available to consult with attending
physician(s), attempts to contact me have been unsuccessful, and the attending physician(s) deem it
advisable to proceed with such treatment(s).
