

Information for Teacher Professional Development Workshop Participants Marine Education Center, Gulf Coast Research Laboratory

Hello!

We hope you will consider registering for one of our teacher professional development workshops.

This document includes information about

- **Continuing Education Units (CEUs)**
- **Overnight Lodging**
- **Parking and Finding Your Classroom On-Campus**
- **What to Bring**

Continuing Education Units (CEUs): You may receive CEUs for participating in this program. The CEUs are paid for by a grant. You must complete registration paperwork at each session and take a pre and post test to receive CEUs.

Overnight Lodging: Participants who are traveling for the program may reserve a room in the dormitory if space is available. We can also recommend several local hotels. Please call for information.

Parking and Finding Your Classroom On-Campus: (Contact Aaron for information on where the Coastal Concerns for Clinicians workshop is located) Most programs will be held in one of the classrooms on campus. Park near the dormitory or the boat dock. The classrooms and parking lots are highlighted in yellow boxes on the map below.

Directions to GCRL: If you are traveling east on I-10, take the Ocean Springs Exit #50 and follow Highway 609 (Washington Avenue) about 3 miles to U.S. 90. Turn left on U.S. 90; right on Bechtel Boulevard (4th traffic light); cross the railroad tracks; left on Government Street (a 4-way stop); right on Halstead Road (a 3-way stop); go south to the beach; the GCRL entrance is on the left.

If you are traveling west on I-10, take the Ocean Springs Exit #57; turn left (south) and follow Hwy. 57 to U.S. 90. Turn right on U.S. 90. Go about 4.5 miles (6th traffic light) to Hanley Road. Turn left on Hanley; cross railroad tracks; right on Government (a 4-way stop); left on Halstead (a 3-way stop); go south to the beach; GCRL entrance is to the left.
