After-School Marine Biologist

Spend one afternoon a week immersed in a learning environment with the scientists, researchers and educators of The University of Southern Mississippi’s Gulf Coast Research Laboratory’s Marine Education Center! Participate in hands-on learning experiences in the field, on land, over water, and even in our state-of-the-art laboratories.

Program limited to 18 participants.
Tuition includes fees for boats, bus transportation, program materials, field equipment, laboratory materials and specimens. Afternoon snack will be provided.

Tuition: $300 Spring Semester - March, April and May

Spring Lineup
MARCH - Marine Debris
APRIL - Invertebrates
MAY - Fisheries

*Bus pickup at the school may be possible for schools with six or more students participating in the program.

Do you know someone who likes science and the outdoors as much as you do?
Now they can sign up with you, and we will give you a two-for-one semester price!
